

AUSTRALIA

Australia is listed as one of the major countries outside of Europe that requires private companies to publish their financial reports. A website offers this service for a modest fee:

http://www.company360.com.au/Solutions/Banking_and_Financial_Services/index.aspx

Company360 lets you register for a free trial, which may be sufficient for our purposes.

Another site lets you search for company filed documents.

https://connectonline.asic.gov.au/RegistrySearch/faces/landing/SearchRegisters.jspx?_adf.ctrl-state=5rcjpry3i_13

To report dead links in the above, provide feedback, or to notify CHWMEG that updates to this information is necessary, click the link below to send an email to Randy Mott (type a brief note with your feedback before sending your email):
