Companies have to be entered into the commercial register kept with the relevant district court, where they can be viewed by the public. The electronic register is theoretically available at [www.brra.bg], but only in Bulgarian. Information on the different types of companies can be found at [D&B Report Guide Bulgaria](#) [<http://dbemc.dnb.com/country-report-guides>], [Establishing a Business in Bulgaria](#) [www.investbulgaria.com/establishingBusiness.htm].
