

## Greece

[Member Companies Search](http://www.acci.gr/en_base.htm) [[http://www.acci.gr/en\\_base.htm](http://www.acci.gr/en_base.htm)] is a service provided by the Athens Chamber of Commerce and Industry in Greece (ACCI). This service displays detailed company data. Registration is required.

This website is not clear on the information listed. However, Greece is one of the countries that requires company information be publicly available. It may require going to the local office where reports are filed or sending them a request.
