All companies are obliged to enter their key details in the [Trade Register](#) [<http://www.ondernemersplein.nl/>] which is managed by the Netherlands Chamber of Commerce. Searching the register is free but a charge is made for some information. It may be necessary to obtain the local depository for the information and obtain physical copies.

Companies required to file a financial report with the Chamber of Commerce each financial year include private limited liability companies (BVs), public limited liability companies limited by shares (NVs), cooperatives and mutual benefit companies.
