

## Portugal

Companies must register and file financial statements with the Commercial Registry. See the [Institute of Registries and Notaries](http://www.irn.mi.pt/IRN/sections/inicio) [http://www.irn.mi.pt/IRN/sections/inicio] or more information (Portuguese language only).

It may be necessary to go to local offices for copies or to try commercial credit reporting agencies. See Equifax: [http://www.equifax.com/home/es\_es] [reportedly also covering Portugal].
