[Companies Register of the Slovak Republic on Internet](http://www.orsr.sk/) [<http://www.orsr.sk/>]

This is a free searchable directory. Information includes company name, registered number, registration date, legal form, business activity, address, 'other legal facts', and a list of deposited documents.

Documents cannot be purchased or viewed online. The interface is in Slovak and English. Much of the company information, though, is in Slovak.

All of the financial information is however publicly available at the local registry site.

To report dead links in the above, provide feedback, or to notify CHWMEG that updates to this information is necessary, click the link below to send an email to Randy Mott (type a brief note with your feedback before sending your email):
