[AJPES - Agency of the Republic of Slovenia for Public Legal Records and Related Services](http://www.ajpes.si) [www.ajpes.si]

AJPES provides access to the Slovenian Business Register online (ePRS), and Annual Reports of companies, cooperatives and sole proprietors (JOLP) free of charge. ePRS currently has around 211,000 entries and includes companies (partnerships and corporations), sole proprietors, legal entities governed by private law, societies, natural persons performing registered or regulated activities, subsidiaries and other divisions of business entities and main offices of foreign business entities. You can search on a range of criteria: name, identification number, tax number, address, activity, sector and legal form. The amount of information available on each business entity varies depending on its legal form but typically includes identification number, company name, tax number, details of representatives and founders, etc. Credit rating reports (eS.BON) are also available for a nominal fee. The interface to the site is available in English, Slovene, German and Italian. The information is available in English and Slovene. ***Free registration is required to view the free documents.***
