

## Sweden

Companies must register with the [Bolagsverket](http://www.bolagsverket.se/en) [http://www.bolagsverket.se/en] which is the Swedish Companies Registration Office.

All limited liability companies have to file annual accounts with the [Bolagsverket](http://www.bolagsverket.se/en) [http://www.bolagsverket.se/en]. Other companies may have to file accounts depending upon their size.

Company information is available from the [Bolagsverket](http://www.bolagsverket.se/en) [http://www.bolagsverket.se/en] and also the web site [Allabolag.se](http://www.allabolag.se/) [http://www.allabolag.se/]. Both require a nominal fee for financial reports and documents.

The [European Business Register](http://www.ebr.org/) (EBR) [http://www.ebr.org/] also provides company information for Sweden.
