

## Switzerland

[Zefix \[http://www.zefix.admin.ch/\]](http://www.zefix.admin.ch/), the Central Business Names Index of the Federal Commercial Registry Office, contains details of all companies listed in the Commercial Register.

**Only companies with shares on a stock exchange or that have bond issues outstanding are required to publish financial statements.** This is exceptional in Europe and may reflect the Swiss banking history of privacy.

**To report dead links in the above, provide feedback, or to notify CHWMEG that updates to this information is necessary**, click the link below to send an email to Randy Mott (type a brief note with your feedback before sending your email):
